

## Southeast MedWAR Race

### Directions to Race Headquarters & Campground

Fort Gordon is located about 8 miles SW of Augusta, GA, however, it will take 30-40 minutes to reach race headquarters from downtown Augusta, so please plan accordingly.

**EVERY PERSON IN EVERY VEHICLE MUST HAVE A PICTURE ID TO ENTER THE FORT. THE CAR MUST ALSO HAVE REGISTRATION AND INSURANCE. THERE ARE NO EXCEPTIONS.**

- 1) Take I-20 East from Atlanta or I-20 West from Columbia. Exit #196: I-520 Bobby Jones Expressway Eastbound. Exit & Turn Right: Hwy 78 Gordon Hwy (about 3 miles).
- 2) Follow Gordon Hwy and turn left into Gate 1.
- 3) Show PICTURE ID, CURRENT REGISTRATION, and INSURANCE CARD to the security guards and tell them you are with the MedWAR race. You may be pulled to the side to open your hood, trunk, & glove box. Don't worry, it's normal, but you should budget extra time for it.
- 4) Once you get inside the fort, go **straight 3.3 miles** on Chamberlein Road through the main area of the fort and past the recycling center.
- 5) Take a **Left onto 15th St** at the stop sign. Go through the next stop sign and past the Bingo Palace (on the left).
- 6) After 1.5 miles, the road will come to a T (you will see a small covered structure straight ahead). Go **Right on 111th** and 0.2 miles later the road will merge (slightly right) with **North Range Road**.
- 7) Follow Range Rd for about 5 miles. You will pass through another security checkpoint which may or may not be open.
- 8) About 2 miles after the checkpoint, the road will fork with the Range Control building in the middle. Go **Right on Gibson Road** for 0.5 miles.
- 9) Turn **left onto Sawmill Rd**, a dirt road with a green sign. There will also be a MedWAR sign on the road. If you reach Leitner Lake down the hill, you have gone too far.
- 10) Continue on the dirt road for approximately 0.5 miles and take a **left at the sign to reach the NBC Chamber and Clearing House**.

#### Notes:

- Do NOT speed inside Fort Gordon. More than one Race Director has gotten a ticket.
- You are NOT allowed to operate a motor vehicle and cell phone at the same time inside Fort Gordon.
- Be aware: It is not unusual to find tanks, soldiers, convoys, etc on the roads. Sometimes they do controlled burning in some training areas. You may hear explosions and shots in areas. It is possible that a road will be blocked for a time, and there may or may not be detours around it.
- If you have been to the race in previous years, they have increased security. You MUST have an ID, registration, and insurance card. Also, they sometimes move the second security checkpoint.
